ABOUT THE CONFERENCE & WORKSHOP

Research Journal of Pharmacy and Life Sciences is conducting International Conference- cum- Workshop recognized by Pharmacy Council of India. The programme will include workshops, oral and poster presentation, interactive lectures, networking opportunities, and keynote lectures from eminent speakers (both in virtual & physical mode) & a cultural programme by professionals and delegates. This conference will bring together a panel of highly accomplished experts to address basic studies, applications, and topics of novel issues. The conference includes honouring persons for their achievements and contributions to the profession of Pharmacy, Medical and Life Sciences.

A useful workshop is going to be conducted on "Basic Cardiac Life Support- CPR (Cardiopulmonary resuscitation)", the most important lifesaving exercise to help out in emergency. Basic Cardiac life support serves as a tangible proof of timely action and basic medical knowledge to convert a sudden collapse tragedy into a blissful life. CPR is a skill that brings difference between life and death - A timely simple measure of central chest compression, maintaining an open airway, supporting the breathing through AMBU bag and mask can help someone to come back to life from sudden collapse. The workshop will be demonstrated by Dr. Anil Kumar Mahapatro; Interventional cardiologist-cum-Electrophysiologist from Indus hospital and Dr. P. Sateesh Kumar, MD, Fellowship in Cardio-Neuro Anesthesia from King George Hospital, Visakhapatnam.
